

February CWGA Article

Golf is the common denominator that brings us together, but fun, celebration, and camaraderie is the glue that keeps us coming back each week to form new relationships and nurture old ones. As a relatively new member of CWGA, (one season), it didn't take me long to realize that the women in this group, love to play golf, have fun and are willing to get to know you regardless of your golf skill level. I joined CWGA because I also love to play golf, but I definitely struggle with consistency on the golf course. Yet despite my skill level, I quickly recognized that the culture of this organization is welcoming, encouraging, and supportive each week.

CWGA does not stop at just building relationships during the golf season, but in the off season as well. The CWGA Membership Committee planned three winter luncheons which gives us the opportunity to meet new members and stay connected with returning ones. The second winter luncheon will be held February 9th at 11:30 in the Activity Center. At this luncheon, we will host a baby shower for Nichole Gideon, Market Cafe Manager, who is expecting a baby boy in March. Members who would like to attend need to sign up in the Pro Shop in the CWGA winter luncheon notebook.

The last winter luncheon will be held March 9. CWGA members should watch for email blasts with more details for both of these events. We are grateful for our relationship with Nicole Gideon and the Market Cafe caterers for their collaboration with CWGA during our golf season and for our winter luncheons with nothing less than the most delicious menus!

This is one golfer who is hoping for a couple of warm, dry days in the coming months for a round of or two of golf in the off season. Wishful thinking? I hope not! In the meantime, stay warm and dry!
