

You are invited to attend a WIP get together, Thursday May 4th following our CWGA shotgun/lunch. Information about this golfing opportunity will be shared. There will be people there that have participated in WIP in the past to share their experiences with you.

WIP gives us the opportunity to play as a two person team in different golf courses around the Portland metro, the 3rd Monday of May, June, July, August, and September. Some people play once during the season others play several times during the season. You are always paired with someone with a handicap similar to yours.
\$45/round. 2 Person (Best Ball) Team.
