# Handicap Champions

- Based on achievements from previous rounds.
- Golf's handicap system allows you to compete on an equitable basis with players who are more or less accomplished than you are.
- Essentially, with handicaps, we are all equal! What a wonderful attitude and thought to have...and a great way to enjoy golf!

"Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening – and it is without a doubt the greatest game mankind has ever invented."
