### **The Scholarship**

For the last several years, the Men's club, supported by both the CWGA and Women's Niners have given out scholarships to summer and temporary student workers hired by the golf course. The young scholars are selected by course management and offered an opportunity to apply for scholarship support. Those who apply have their applications evaluated by a committee representing the Men's club, CWGA, and the Women's Niners. Winners are announced and presented checks during the Thanksgiving Holiday.

The amount of the fund varies from year to year and is totally dependent on the generosity of the three golf organizations, Pro Shop, and from community donations. Anyone wanting to help may do so by sending a contribution to the Men's Club, C/O Charbonneau Golf Club, or dropping their donation off at the Pro Shop.
