If you have not renewed by December 31st, your GHIN will be inactivated and you will not be able to post. You will be reactivated when your dues are paid.

Remember to post all your scores through the end of November when the posting season ends in Oregon. If you are heading to a warmer climate with an active posting season, please make sure all those scores are posted. Posting in Oregon will resume March 1, 2025.

*Also, remember to spend your Pro Shop credits by December 31st.*
