

June 2026 Villager

It's summertime! June 21st is the start of summer in the Northern Hemisphere. It's the day with the most hours of sunlight. It also happens to be Father's Day! Think of the daylight hours that can be spent golfing, fishing, hiking, barbecuing, camping and beachcombing. We salute fathers and father figures who give time to be positive role models and effective influences on all of us, but we especially thank those fathers who spend time with their children teaching them skills that will make them successful human beings.

June will be a busy month for CWGA golfers.

We have two events that you will not want to miss. Our June 4th Scramble will be "A DAY AT THE BEACH". Now that does not mean golfers find the sand at each hole. The luncheon sign-up notebook will be on the pro shop counter beginning May 21st. This is going to be some fabulous beach cuisine: Huli-Huli Chicken, Green Salad, Macaroni Salad and Pineapple Ice Cream from our infamous caterers at Butteville Store. Watch for the Golf Genius Invitation on May 28th with closure at noon on June 1st. Remember it is a two-step process. You must sign-up for lunch in the notebook and then register for golf using Golf Genius. The check written to CWGA must include the \$25.00 lunch fee plus your greens fee to the golf club. The luncheon notebook has your fee totaled depending on your golf club membership. Each golfer pays a \$5.00 at the pro shop desk the morning of the scramble for our purse. Please note: The shotgun start begins at 8:30 A.M. Please arrive by 8:00 A.M.

Besides our regular monthly scramble, we have a two-day Partners Tournament on June 23rd and June 25th. Pick a member who you would like to golf 18 holes with for both Tuesday and Thursday. When you receive the Golf Genius Invitation, both you and your partner must submit each other's names when registering to participate. Should you need a partner, please send a "Message to the Manager" thru the Golf Genius Invitation. A partner will be assigned to you. Results from this event will be posted on the CWGA website under Days Play.

The script was well read and well played for our May 7th Scramble. Black, White and Red; CWGA Headlines "On the Course" made for unforgettable opportunities to celebrate golf. Thank you to Carol Riley, Amy Day, Teena Barnett, and Barb Patch for their creative signage on every tee box celebrating our energetic, competent, and skilled members. Congratulations to our 1st place winners: Debbie Stonebraker, Rose Mason, Betsy Knudson, and Rital Albrich. Once again, Butteville Store provided savory servings of Salad, Italian sandwiches, Turkey sandwiches and their famous Chocolate Chip Ice Cream.

Golf is an ideal, low-impact sport for aging, offering significant cardiovascular strength, balance and social benefits that contribute to a higher quality of life and longevity. CWGA is fortunate to have many vibrant, veteran golfers. Playing in this dynamic league, Age is just a

Number, and ours are unlisted. We have many “seasoned” golfers, who prove the research to be true. With the added daylight hours, get out, golf and enjoy the longevity that is available through golf.

Let’s not forget to honor our American flag on Flag Day, June 14th. Please remember the values it represents: unity, history, patriotism, and shared connections. How awe inspiring it is to see our American flag raised and hear our national anthem played. Despite world adversity, Old Glory still elicits great American pride.
