Kay Gardner: 503-201-2669 and Diane Meyers: 503-705-3920

If the reason you don't sign up and play is because you don't think you have a chance to win, here are some interesting stats: We have had 83 different winners in 18-hole play and 64 different winners in 9-hole play this year already. Your chances are good so that you can be a winner in the CWGA Handicap Competition. Sign up on Tuesday, July 21st through Golf Genius.
