

October the month of crisp autumn weather and Oregon's spectacular fall foliage. While enjoying golf, please do some leaf peeping as you marvel at the beauty that surrounds us in Charbonneau.

Congratulations to **Faye Judson** our **2026 Club Champion**! Faye has been a CWGA member for eleven years. She shared these thoughts, "Golf has been a beautiful journey. I have met some incredible women through CWGA, the memories made while playing golf will last a lifetime. My favorite person to play golf with is my husband, Rick. Every year my goal has been to better my scores from the years before. To get that personal best score I work hard to lower my Handicap. I give thanks to Jackson and Kaitlyn, our CGC golf pros, for giving me professional instruction on how to better my game. It seems we're never happy with our game, but remember that every hole is a new opportunity to let the last hole go and move forward to get the next Hole-in-One, Eagle, Birdie or Par." Faye has a winner's mind set.

Congratulations to our other winning members who competed in the championship:

Congratulations to our winning Peace, Love and Golf “Hippie Chicks” team: Brenda Hankins, Rose Mason. Susan Carey, and Sue Schneider. Thanks to our costume judges, Lindy Anderson and Dianne Reiter, who dressed in matching 60’s outfits, to assess the hippie outfits worn by our members. Those dressed in “far out attire” had their names drawn from a hat. Congrats to Cathi McLain and Terri Zagone who won garden flags in the drawing. The Strawberry Fields Forever cocktail concocted by bartender Shea gave an extra punch to lunch. Our golf pro, Kaitlyn, with her remarkable drive made Green 9 a “short” hole. Thank you, Dana Richmond, Jan Watson, Kim Harp, Shelley Anderson, Deborah Ulrich and Faye Judson for a day that was FAR OUT and TONS OF FUN. Butteville Store served “Right on Rice Bowls” but their “Psychedelic Sorbet” of Marionberry, Peach, and Strawberry Lemonade was an out of this world treat for the taste buds.

Beginning October 6, our Tuesday and Thursday Play Days are also guest days. Feel free to invite a woman from another club, to golf with you. Make sure to check the October 6-29 calendar, as some of the games played on these dates will not have scores that are posted toward handicap.

Please note breast cancer awareness is observed globally throughout Pink October. Routine screenings like mammograms promote early detection. As women we want to educate ourselves about the continued need to be ever vigilant about fighting this disease.
